

- Gene category
- Ethyelene signalling gene
 - ABA repsonive gene
 - Auxin responsive gene
 - Jasmonate responsive gene
 - Cell wall responsive gene
 - Mechano sensing gene

RNAseq_Oui - Group-mean expression: Dharia vs PTT1, Control vs Compact
158 hormone/mechano-signaling genes, log2 normalized counts, z-scored per gene
black box = significant Compact vs Control within that variety (DESeq2 v3, padj < 0.1)
